5023500 APEX JERSEY

AERODYNAMIC LIKE A RACE SUIT, COMFORTABLE LIKE A JERSEY.

OVERVIEW

Designed for the PyeongChang Olympics in collaboration with our main athletes, this jersey is the upper part of Sportful's most extreme race suit. Combining breathability and thermoregulation with muscle support and comfort, it's the perfect choice for the competitive athlete who prefers a two-piece suit.

FEATURES

- Schoeller® fabric on chest, sleeves, and sides for necessary muscle support
- Mesh panel on back for excellent thermoregulation and breathability
- Comfortable against the skin, thanks to flat-lock stitching and reduced cut
- Front YKK® zip for quick opening
- Race fit

APEX JACKET

THE THERMAL JACKET FOR THE MOST DEMANDING ATHLETES.

OVERVIEW

The new Apex Jacket got improved in the wearability and weight of the fabrics. Great to warm up or train in very cold temperatures, the lightweight outer fabric protects against wind and snow, while the POLARTEC® ALPHA® DIRECT technology guarantees perfect thermal regulation. To improve breathability a lighter fabric is used in the areas subjects to overheating and moisture.

FEATURES

- Light weight WR GORE-TEX INFINIUM™softshell to protect from wind and light snow in combination with
- 60 gr POLARTEC® ALPHA® DIRECT on front, shoulders and back for an optimal insulation
- Lighter breathable stretch inserts on armholes and back to offer a good thermoregulation
- Soft raw cut fabric with WR treatment on cuffs for more comfort
- Pre-shaped arms for extra comfort

APEX VEST

GET READY FOR YOUR GOAL

OVERVIEW

Apex vest is made to face hard workouts when it's too cold for just a jersey but temperatures are not low enough for a jacket. Excellent wind protection thanks to the GORE-TEX INFINIUM™ fabric. The lighter fabric on the back is designed to improve breathability.

FEATURES

- Light weight GORE-TEX INFINIUM™softshell fabric on front, sides and back bottom
- Light breathable stretch insert on center back
- Vislon YKK zip on front and side pockets for easier fastening
- Race fit

APEX PANT SPLIT ZIP

♀

PRACTICAL, WARM, AND TECHNICALLY ADVANCED.

OVERVIEW

Lighter and with a slightly looser fit than the previous version, the Apex Pant is comfortable for both a short pre-race warm-up session and a workout in colder temperatures. Protection from the cold thanks to the windproof GORE-TEX INFINIUM™ fabric. Breathability and comfort during training thanks to the stretch fabric on the back panels. The side zips reach just above the knee to allow you to remove the trousers comfortably without removing the boot.

FEATURES

- WR GORE-TEX INFINIUM™ softshell fabric on front and back basque to protect from wind and light snow
- WR breathable stretch fabric on back
- Soft elasticated band on the back for major comfort
- Coulisse system at waist for better fit regulation
