**CARDIO TECH JERSEY LS**

ESSENTIAL, LIKE TRAINING FOR A HIGH-LEVEL ATHLETE.

**OVERVIEW**

Essential, like basic aerobic exercise. Made of woven fabric that combines thermal protection and breathability, promoting airflow inside the garment. It's the perfect garment for aerobic activity in the spring and fall, or in winter, depending on the intensity. The front zip and thumbholes on the sleeve cuffs complete a comfortable and practical garment.

**FEATURES**

- Thermal and comfortable brushed and textured fabric
- Thumb opening for protection from cold
- YKK® front zip with cord zipper pull

**CARDIO TECH TIGHT**

WHO SAYS YOU SHOULD TRAIN ONLY INDOORS IN THE WINTER?

**OVERVIEW**

Versatile thermal tight. You can use it alone for training and aerobic activity outdoors, or as a first thermal layer for activity in extremely cold conditions.

**FEATURES**

- Warmth ensured by brushed stretch fabric
- Elastic waist with draw cord

**CARDIO TECH WIND VEST**

LIGHT PROTECTION FOR HIGH-INTENSITY TRAINING.

**OVERVIEW**

A vest for aerobic exercise, on or off the snow, when the days are too chilly for just a long-sleeve jersey but too warm for a full jacket. The two front layers and the construction with a thermal lining provide the necessary warmth and wind protection, while the stretch construction makes it perfect for physical activity, including at dawn or dusk, thanks to the reflective detailing.

**FEATURES**

- Double-layered thermal vest
- Back and side panels in stretch fabric
- YKK® front zip with cord zipper pull

**CARDIO TECH WIND JACKET**

WHO SAYS YOU SHOULD TRAIN ONLY INDOORS IN THE WINTER?

**OVERVIEW**

A jacket for aerobic exercise, on or off the snow, when the days are cold but indoor training simply isn't an option. The two front layers and the construction with a thermal lining provide the necessary warmth and wind protection, while the stretch construction of the back and sides makes it perfect for physical activity, including at dawn or dusk, thanks to the reflective detailing.

**FEATURES**

- Double-layered thermal jacket with hood
- Back and side panels in stretch fabric
- YKK® front zip with cord zipper pull
